The Monkey Escaped.
Constable "Dom" Morris spent a busy day yesterday scouting the neighboring towns for an Italian organ grinder and his monkey. An attachment was sworn out for the monkey in Squire Rogers' court, but the Dago escaped with his music and monkey, and "Dom" spent a fruitless day searching Moundsville, McMechen and nearby towns on this side of the river. This peculiar case, which was brought about by the monkey biting a Bridgeport boy, was noted in yesterday's Intelligencer.

"Old Abe's" Time up.
"Old Abe," the engine at the La Belle plate mill, was taken out yesterday after over a quarter of a century's service, and this famous old engine is indefinitely linked with the La Belle's history. For many years it was operated by John Wright, sr., the veteran millman, now living retired at his home on Caldwell's run, and its title was chosen in honor of the Illinois rail-splitter who rose to the presidency of a nation for which he gave his life. Part of the old engine may be utilized, but much of it will be relegated to the scrap pile.

Excursion to Zanesville.
St. Joseph's commandery No. 228, Knights of St. John, of Bellaire, has completed arrangements with the Baltimore and Ohio for an excursion to Zanesville on Sunday, July 10, at the rate of \$1.50 for the round trip. On this date the corner stone of the new St. Nicholas church will be laid with appropriate ceremonies by the Rt. Rev. Bishop Watterson, of Columbus. The Knights of St. John from Newark, Lancaster, Marietta, Columbus, Bellaire and other points will join the Catholic societies of Zanesville in a grand street parade. The ceremony attending the laying of the corner stone will take place at 2:30 p. m. Commandery No. 228, of Bellaire, extends a cordial invitation to all members of Wheeling and Benwood commanderies and their friends to join them on this occasion.

AN ULTIMATUM

To be Announced by the Reunion
Committees To-night

RAILROADS HAVE REAFFIRMED

THEIR DECISION GIVING WHEELING ONLY THE ONE FARE ROUND TRIP RATE—NOW THE RAILROADS WILL BE GIVEN A FEW DAYS IN WHICH TO CONCEDE A CENT A MILE RATE OR LOSE ALL BY ABANDONMENT OF THE REUNION.

This evening the executive, finance and transportation committees in charge of the arrangements for the reunion of the Society of the Army of West Virginia, scheduled to be held in Wheeling next September, will meet in the rooms of the chamber of commerce, and it is of the utmost importance that a full attendance be had. The very life of the reunion depends upon this meeting.

Captain C. J. Rawling, chairman of the executive committee, has received a letter from the chairman of the Joint passenger committee, stating that the committee had reconsidered the matter of special rates for the Wheeling reunion, and had reaffirmed its former action in fixing the rate at one fare for the round trip, declining to concede the cent a mile rate demanded by the reunion committee on transportation and recommended by the Wheeling Passenger Committee. The railroads had reopened the matter in the face of the storm of protest that came to them from officers of the Society of the Army of West Virginia, the reunion committees, the Wheeling newspapers and urgent recommendation in favor of the lower rate made by the local passenger committee. In the face of all this the railroads have declined to budge from their original stand, and as a result it appears almost certain that the reunion will be declared off. This is a step that will be received with general regret here, for all Wheeling was getting ready to entertain the veterans of the Army of West Virginia in a style that would stamp this year's gathering as the best of the many very successful reunions that have been held.

It is generally realized by the reunion workers that the reunion cannot be made a success without the cent a mile rate of transportation. During the same month the national encampment of the G. A. R. at Cincinnati and the encampment of the Ohio G. A. R. at Mount Vernon are to be held, and for both the cent a mile rate is announced. It can be seen at a glance that Wheeling's reunion would be a flat failure without an equally attractive concession from the railroads. So far, the local committees have not been favored with the reason or lack of reason that contributed to the decision arrived at by the Joint Passenger Committee in discriminating so flatly against this city.

At to-night's meeting it is probable that an ultimatum will be served upon the railroads, stating that in the event the cent a mile rate is not conceded within a certain time limit, possibly ten days, the reunion will be declared off. It is thought the railroads will come to time in the face of such decisive action by the committees.

HIGH CLASS ATTRACTION

To Hold the Boards at Wheeling Park Casino Next Week.

The management of Wheeling Park has secured a high class vaudeville attraction for next week, with performances every evening, and matinee performances on Wednesday and Saturday. It is the Metropolitan Vaudeville Company, secured for the Park engagement at large expense, and which is guaranteed to be one of the best summer attractions out.

Among the well known people who are to appear are Miss Gertrude Rutledge, late of the Castle Square Opera Company; Gladys Van, the pocket edition of Lillian Russell, in comic opera selections; Louis Granat, heralded as the world's greatest finger whistler, first appearance in the west after his European tour; Johnson, Davenport, & Lorelio, in "The Foot Bal Players and the Farmer," the finest acrobatic event ever attempted, and Post & Clinton, the comedians.

On Sunday afternoon there will be no charge for the initial appearance of the company in portions of their regular programme. This attraction Sunday afternoon is in addition to the usual concert by the Opera House orchestra.

WHEELING BOY WOUNDED

In the Assault on San Juan Hill at the Battle of Santiago.

George Bedillion Hayes, a non-commissioned officer in one of the regular army infantry regiments, who was wounded in the terrible assault upon San Juan hill at the battle of Santiago last Saturday, is a son of Frederick Hayes, of 85 Virginia street, Island, a retired carriage manufacturer. Young Hayes enlisted in the regular army about sixteen years ago, and most of the time has been stationed on the Pacific coast. He is one of the best marksmen in the army, having won many medals for proficiency in contests. His injuries are said to be not serious.
